Ricardo Regazzoni: Fuge And Variationen Omar Ackbar, Humberto Ricalde

Sculptor Ricardo Regazzoni was born in Mexico City in 1942, and lives and works in Mexico, Paris, Amsterdam and New York. His work's geometric architectural simplicity has an almost magical theatrical effect--he translates the hardly new subject of columns into constant artistic development. "Fugue and Variations" offers beautiful reproductions of new, never before seen work.
